IATF Stakeholder Communiqué

The purpose of this Stakeholder Communiqué is to advise all IATF Stakeholders of the addition of Chery Automobile Co., Ltd. as a new member of IATF AISBL.

Chery Automobile is a leading automotive manufacturer in China and a globally renowned automotive group. Its business encompasses the design, development, manufacturing, and sales of passenger vehicles, building a diversified product portfolio covering both fuel vehicles and new energy vehicles to meet the diverse needs of global users.

As a company committed to quality excellence, Chery Automobile has demonstrated a strong commitment to quality management and continual improvement through the implementation of IATF 16949 across its manufacturing operations and supply chain.

Chery Automobile's participation will further strengthen the IATF's global perspective through its extensive experience in international markets and global operations, supporting the continued development and broader application of the IATF framework throughout the global automotive supply chain.

Mr. Xu Hua, Vice President of Chery Automobile and Head of the Global Quality Centre, has been nominated as Chery Automobile's official representative.
