

Proud to Announce

2020 CERTIFICATION BODY OF THE YEAR

CONGRATULATIONS TO
ALL OUR **GOLD LEVEL**
CERTIFICATION BODIES!

The International Automotive Oversight Bureau (IAOB), recognized seven of its Gold level Certification Bodies during the virtual AIAG Quality Summit on October 22, 2020.

IAOB Certification Body of the Year is the company's official program to recognize IAOB Certification Bodies who achieve the high-performance standards necessary to meet IATF and IAOB expectations.

These Certification Bodies provide IATF 16949 third party assessments and certification services to automotive suppliers worldwide.

We are proud to highlight our remarkable partners for their hard work and dedication to continual improvement in the processes that are critical to support the automotive scheme and third-party certification.
